

V300PF5

Vault

Universal 5-Pistol Case

Vault cases are the most rugged and secure cases in their class. Engineered with an optimized blend of materials and production, Vault offers the ultimate trust at a more affordable price. This V300 Vault case holds multiple pistols and ammo, that easily slot into the foam. An insert allows for extra pistol and ammo storage or can be removed to hold larger items. Other features include high-impact polymer material, an automatic purge valve, stainless-steel pins, and push-button latches. Transport your firearms with confidence wherever the journey takes you.

- Pre-cut heavy-duty foam holds up to 5 pistols and 19 magazines
- Removable 5th pistol insert allows for a larger space to store safety equipment or ammunition
- Medium density polyethylene closed cell foam offers excellent abrasion resistance, high levels of resilience, strength and durability
- High-impact polymer assures protection of your firearm, via road, trail or air
- Crushproof, dustproof, and weather-resistant
- Automatic purge valve
- 5/16" padlock hole diameter
- Durable stainless steel pins hold the latches, handle and lid together
- Ergonomic heavy-duty handles
- Two push-button latches offer secure closure with easy-open access
- Fabriquée aux États-Unis
- CUSTOM FOAM: Pre-cut heavy-duty foam features multiple slots for pistols and ammunition
- MODULAR DESIGN: Removable 5th pistol insert creates a larger space to hold safety equipment or ammunition
- RUGGED PROTECTION: Constructed of crushproof high-impact polymer with heavy-duty handles
- WEATHER-RESISTANT: Cases are sealed against moisture and dust
- AFFORDABLE: The most rugged and affordable durable case in its class
