

1510 Protector

Valise Carry-On

The original case introduced over 45 years ago has since evolved into the global standard for equipment protection. The Protector Case series is designed to survive and trusted to travel to the harshest environments on earth.

The Pelican 1510 Protector Case provides military-grade protection for a wide variety of gear, from camera equipment to camping kits. It is available with foam, without foam, padded dividers, or TrekPak dividers. The Pelican 1510 Protector Case is the maximum airline carry-on size, so you can travel with your sensitive gear close at hand.

(Check with your airline for exact measurement requirements)
