Vault

Suppressor Case

Transport your suppressors and essential gear with confidence. Vault cases are the most rugged and secure in their class, engineered with an optimized blend of materials and manufacturing to deliver trusted protection at an accessible price point. The V100 Vault Suppressor Case features heavy-duty pre-cut foam with multiple dedicated suppressor slots to securely accommodate a wide range of suppressors. Precision-cut cavities keep components organized and protected, while the high-impact polymer case construction, stainless-steel pins, automatic purge valve, and push button latches provide dependable performance.
