

3310PL

Your days of fumbling around in the dark are over. The 3310PL LED incorporates photoluminescent technology which emits a bright glow making it highly visible in pitch black environments. And, with a run time of 202 hours (low), the new 3310PL LED proves itself invaluable in emergency situations.

So get back on track with our glow-in-the-dark, high performance 3310PL LED with up to 378 lumens of uncompromising flashlight performance.

The new 3310PL LED: Helping you find your light and your way.
