Protector Bumper

Accessory

Life demands you stay connected, no matter the conditions. You demand the best in protection for all of your devices that help keep you connected. The Pelican Protector Series Watch Bumper shields your Apple Watch from damaging scrapes, scratches, and impacts that could take you offline. The tough TPU construction creates a rugged barrier that seamlessly integrates with your Apple Watch allowing you to have all of your functionality without sacrificing the protection you've come to expect from the Pelican brand. Pelican Products, Inc. the leader in mission-critical equipment protection, has been trusted by professionals since 1976. The same Pelican DNA that has protected our armed forces, emergency and scientific equipment through the harshest environments on Earth is now available to protect your mobile phones, tablets and more.

- Built in Micropel Protection
- Tough TPU construction offers rugged protection for your Apple Watch
- Seamless integration enables full functionality of your Apple Watch while providing superior protection
