

V730BOW

Vault

Bow Case

Reliable Protection. Exceptional Value.

The Pelican Vault V730BOW Bow Case combines rugged protection with thoughtful design. The custom foam interior features Velcro straps to secure your bow, built-in arrow holders, and a cavity for your quiver. Engineered for bow hunters and enthusiasts seeking reliable durability and functionality at a more accessible price. Designed to fit up to a 40" bow.

- Custom Foam Interior: Securely and snugly holds your bow and essential accessories, minimizing movement and potential damage during transport.
- Integrated Arrow Storage: Easy-access storage for arrows, protecting shafts from bending or breaking (Holds up to 12 arrows).
- Flexible Storage: Conveniently stores extra equipment, such as release aids, broadheads, tools, or small gear, enhancing the overall utility and organization of your setup.
- Rugged Durability: The Vault Bow case offers trusted Pelican protection at a more affordable price.
- Easy Mobility: The integrated wheels allow for easy transport
- TSA-Compliant: Padlock holes ensure you can secure your case for air travel
- High Impact Polymer: Crushproof, dustproof, and weather-resistant exterior to keep your bow safe.
- Push Button Latches: Six push button latches offer secure closure with easy-open access
