Tactical Loadout Case

The Pelican 1740 Protector is built for serious firearms enthusiasts who refuse to compromise. This heavy-duty case securely holds three AR-style rifles and three pistols, plus magazines for both—all while keeping your critical accessories like suppressors, optics, and sights mounted. No teardown between range days, hunting trips, or competitions. When you need your gear transport-ready the moment you open the lid, the 1740 delivers the same uncompromising protection trusted in the field.

• **3 AR + 3 Pistol Capacity:** Holds three AR-style rifles, three pistols, and magazines for both in one organized case
• **Transport-Ready Design:** Store rifles with suppressors, optics, and sights mounted—no teardown required between sessions
• **Legendary Protector Durability:** Legendary Pelican Protector case construction—crushproof, waterproof, and built to military-grade standards
• **Wheeled Mobility:** Wide-track polyurethane wheels with ball bearings and dual rugged handles for easy one-person transport
• **Made in USA:** Proudly manufactured in the United States with American craftsmanship and materials
• **Precision-Cut Custom Foam:** Custom foam layout ensures nothing shifts during transport—from trunk to range
• **TSA-Compliant Security:** Reinforced latches, automatic pressure equalization valves, and hinges meet airline transport standards
