Air

Pelican™ Air cases are the toughest and lightest cases Pelican has to offer. Designed with a super-light proprietary HPXA™ polymer construction, each Pelican Air case is up to 40 percent lighter than an average polymer case yet still extremely durable. Pelican Air cases are waterproof, crushproof, and dustproof.

The Pelican 1726 Air Case provides protection for multiple weapons systems, survey equipment, and professional gear transport. Designed to pack efficiently into standard Conex containers for streamlined logistics, the 1726 Air delivers weight saving construction, while maintaining the same trusted dimensions. Available with pick and pluck foam or case only, the Pelican 1726 Air Case will lighten the load while protecting your mission-critical equipment.

- Premium HPXA[®] Construction: Up to 40% lighter than equivalent cases, delivering uncompromising strength and impact resistance without the fatigue.
- Certified Toughness: IP67-Rated and rigorously tested to MIL-STD specifications to guarantee unrivaled protection in extreme conditions.
- Optimized Logistics: Purpose-built external dimensions ensure efficient, seamless packing into standard Conex containers and 463L Pallets.
- Secure 2" Press & Pull™ Latches: Engineered for secure closure and effortless, fast access under pressure.
- Dual Automatic Pressure Equalization Valves: Rapidly balances interior pressure while keeping water and dust out of your protective solution.
- Interlocking Design: Molded top ribs and bottom stand-offs provide rock-solid stacking and stability during transport.
- Heavy-Duty Mobility: Equipped with rugged, smooth-rolling wheels and heavy-duty rubber overmolded handles for confident transport of heavy payloads.
- EZ-Click™ MOLLE Panel Compatible: Ready to integrate with the 1500MP panel for customized, secure lid organization.
- Integrated Card Holder: Streamlined inventory management for professionals on the move.
- Made in the USA: Quality construction built here in the USA
- Lifetime Warranty: Our legendary guarantee of excellence
