Chug

Bottle

The 26 oz. Pelican Pacific™ Chug Water Bottle is a stylish and practical choice for staying hydrated during all of life's adventures, whether at the park, office, in the car, or on the court. With sustainability at its core, this bottle features inner and outer vacuum-sealed walls made from 90% recycled 18/8 stainless steel, while the vacuum insulation and copper lining keep your iced drinks cold for up to 24 hours. The Pelican Pacific™ Chug boasts a leak-resistant screw-top lid with a chug spout and tethered lid, allowing for easy sipping without the need to fully remove the lid. Its ergonomic T-bar swing handle provides a comfortable grip for carrying on the go and allows for easy attachment to other gear. The removable silicone base adds stability, protection from bumps and scrapes and a soft landing on surfaces and its durable powder-coat finish is scratch resistant and sweat-proof. Designed to fit most car cup holders, this water bottle is both FDA compliant and BPA-free.
