

1120FAK Protector

This Limited-Edition First Aid Kit honors one of Pelican's earliest products, created after founder Dave Parker recognized the need for a first aid kit that could survive the same harsh environments as the people who rely on it. Each commemorative kit features heritage branding and a brass 50th anniversary plate, housed in the legendary Pelican 1120 Protector Case that has safeguarded critical equipment for decades. Carry it in the field, keep it in your vehicle, or display it at home — either way, you're holding a piece of Pelican history.

- Automatic Pressure Equalization Valve
- Easy open double-throw latches
- Made in the USA
- Limited-edition heritage branding with commemorative 50th Anniversary brass plate
- Waterproof, dustproof, and crushproof
