

CR90 CRATE 90L

Pelican CRATE is a fully configurable ecosystem built to load, secure, and deploy your equipment with absolute confidence. Engineered from our legendary Pelican Protector HPXC resin, CRATE delivers uncompromising, IP67-rated protection against water, dust, and impact. Take control of your exterior with the integrated ModRail™ system of tie-downs, mounts and accessories to securely anchor your loadout to roof racks and truck beds. A multi-position removable lid and interlocking design enable steadfast stacking and instant access to your gear when it matters most. Rugged, stackable, and field-ready, CRATE lets you load, secure, and deploy your equipment anywhere your adventure takes you.

- Automatic Pressure Equalization Valve
- Lifetime Guarantee of Excellence
- Padlockable Hasps
- IP67-rated: waterproof, dustproof, and crushproof performance
- Integrated ModRail™ system for mounts, tie-downs, and modular accessories
- Multi-position, removable lid opens from either side for quick access
- Interlocks securely across multiple sizes for stable stacking
- Reinforced grab handles
