Aegis

25L Photo Divider Insert

Keep your gear protected, organized, and ready to pack into your next shoot with this durable, padded photo divider insert designed to nest seamlessly within the Aegis™ 25L Travel Pack. Every detail is built out for efficiency in the field, from quick access to your essential camera gear to effortless transitions between shooting and travel. This fully adjustable padded insert can easily fit your camera equipment into any configuration on the fly. Other components offered with the Padded Divider Insert include (3) 6-inch elastic straps to safely secure your most sensitive camera equipment.

- Durable, Protective Solution: Keeps your photography gear safe and organized
- Tailored Fit: Designed to nest seamlessly within the Aegis™ 25L Travel Pack
- Fully adjustable: Padded dividers are easily customizable to allow for fast, on-the-fly reconfiguration for any setup
- High Contrast Interior: Makes it easy to quickly spot and access your gear
